July 24

UPCOMING EVENTS

6th September Colour Run

3:20 - 6:30 pm on the school field.
Licensed bar, hot food and soft drinks/refreshments available

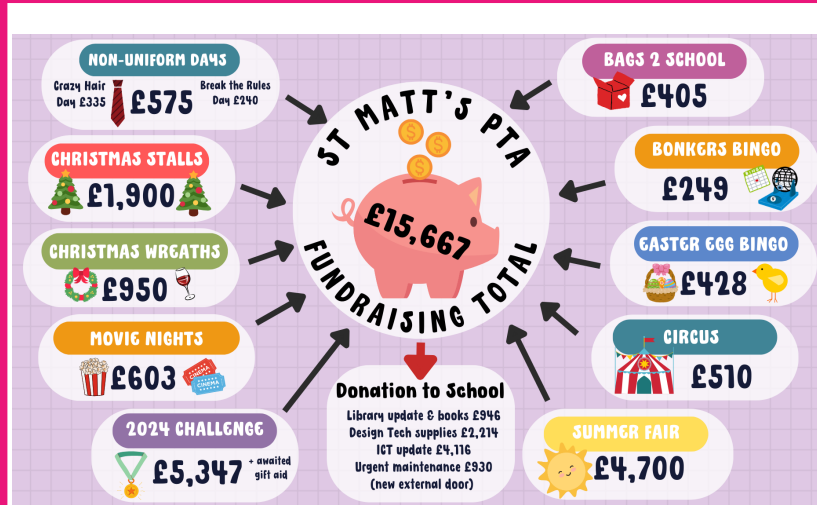

13th September PTA AGM

9am - 10.30am in school, all welcome to attend to see what being a member of the PTA would involve and share ideas you might have about fundraising/fun events you would like to see.

Everything we do at the PTA is designed to generate funds to support the children's school experience.

This year the PTA have raised over £15,000 for our school.

A big thank you to everyone for all your contributions at PTA events. By supporting our events you're helping the PTA to continue to raise funds to secure extra resources for our children.

2024 Challenge

We still can't believe how much everyone raised for our 2024 challenge!!! On behalf of the PTA we want to thank you all for your support as we smashed our target !! It was been a pleasure to see all the children's efforts and entrepreneurial skills in helping raise funds, each and every child deserves a huge pat on the back!

SUMMER FAIR

We are blown away at how many of you attended our summer fair. Thank you for all your support and a huge thank you to our parent and teacher volunteers. Without you our events wouldn't happen. We hope you all had an incredible time. The sun shone, the stalls, food and performances were incredible—huge cheer for brass, violin, choir, AT Dance & Magic Voices Choir—and we had a fantastic time and really felt that sense of community. Thank you for all your donations of gifts and teddies and to everyone who came to the fair.

Well done to our colouring competition winners, Jude from year 1 and George from year 4. We hope you enjoy your prizes!

Thank you to our St Matthew's families for your support and donations and a huge thank you to our parent and teacher volunteers. Without you our events wouldn't happen. We hope you all have a fantastic summer holiday and look forward to seeing you at our PTA events next year.
