

A **BIG** thank you to everyone for their support for the Winter term 2020-2021. We have had an excellent start to fundraising this year, totaling £5.3k so far. Thank you to everyone who has contributed, organised and supported the PTA.

As you will know from communications earlier this year the PTA has committed to raising approximately £20k for the "Pounds for the Playground" project. The aim is to install much needed playground equipment at school to create a fun and safe play environment for the children. So we still have a fair way to go to reach our target, any offers of support would be most welcome!
