

The PTA needs your help!

We're looking for volunteers to join the PTA, to help organise events for the rest of the year, and to generate new fundraising ideas.

- Can you come along to one of our monthly meetings?
- Could you help with an event this year?
- Have you got an idea to share?

If the answer is yes to any of these questions we want to hear from you!

- Speak to a committee member or class rep
- Contact your class rep on whatsapp
- Join the PTA whatsapp group
- Zoom into a meeting—even if it's just to see what it's like
- Volunteer to help as a one-off for an event

Fill in the "The PTA Needs You" form sent out by email
