What can you do to help the PTA fundraise?

The PTA is currently low on members and is operating without a chair. Whilst we continue to look for new members we are also exploring different ways to fundraise which reflect our current capacity. You can help the PTA by participating in the following:

1. Give a little every month via direct debit

Justgiving provides the option for regular direct debit donations into the PTA account.

If 100 parents gave £3 each month (plus GiftAid) this would raise £4500 annually— this is half the PTA's typical annual proceeds!

2. Fundraise as you shop

The PTA is set up on EasyFundraising and Amazon Smile. Start any online shopping from these online platforms and the PTA gets free donations! It takes a few minutes to set up the PTA as your charity. Big thank you to Debbie Iles who has raised £192 using EasyFundraising.

See the blog for a quick links and instructions on the above fundraising options.
