

Stretton St Matthew's CE Primary School

At St Matthew's we strive for all children to be independent, inquisitive and happy learners and we ensure a warm, nurturing start to your child's learning journey. Our dedicated Early Years team provide a safe, stimulating and inspiring environment where every child is supported to thrive.

Why choose us?

- Dedicated and knowledgeable staff – experienced teachers and practitioners who understand how young children learn best, supported by specialist teaching in music and sport.
- A caring and inclusive environment – every child is valued as an individual, with equality and diversity at the heart of our practice.
- Learning through play – a broad and balanced EYFS curriculum built around purposeful play, first-hand experiences, and active learning.
- An engaging and ambitious curriculum that motivates children, builds curiosity, and supports strong progress for all learners.
- A fully inclusive school community with high expectations and a commitment to ensuring every child achieves their best.
- A rich range of trips, visitors, and enrichment opportunities that deepen learning and create meaningful, memorable experiences.
- Positive partnerships with parents and carers, working closely with families and the wider community to support children's development.
- Children nurtured within a caring Christian ethos, developing positive values, self-confidence, and readiness for the next stage of their education.
- A thoughtfully designed garden space that supports exploration, observation, and learning about the natural world.
